PETITION TO SUBSTITUTE DRAWINGS

Assistant Commissioner for Patents
Washington, D.C. 20231

Sir:

Attached, please find drawings (two (2) figures, one (1) page) for the above identified patent application to replace the drawings originally submitted with the above identified application. The drawings attached are as filed in United Kingdom patent application for which priority is claim and which was incorporated by reference. Therefore, no new matter has been added.

The text of the specification support the attached drawings (Pages 6 and 7). The United Kingdom applications were incorporated by reference and the drawings are thus supported by the application. In the case of *In re* Hawkins, the CCPA allowed the amendment of an US application based on material in co-pending British applications (486 F.2d 569, 179 USPQ 157 (C.C.P.A. 1973). Applicant in the present case wishes to introduced drawings filed in British application which were incorporated by reference.

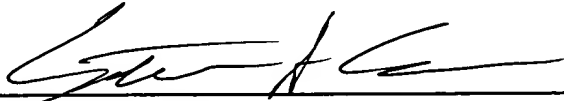

Furthermore, If an error can be detected and corrected by one of ordinary skill in the art, then the applicant may amend the application to correct the error without introducing new matter. (*In re* Oda, 443 F.2d 1200, 170 USPQ 268, 272 (C.C.P.A. 1971). One of ordinary skill in the art can compare the Brief Description of the Drawings of the present application and determine that the drawings were incorrect.

Lastly, the OIPE failed to issue a NOTICE OF OMITTED ITEMS IN A
NONPROVISIONAL APPLICATION form PTO-1669 (M.P.E.P. 601.01 (g)).

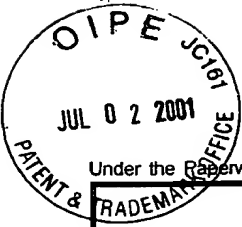

The petition fee of \$130 is approved via the attached Fee Transmittal.

Respectfully submitted,
